Summary

In the spirit of the mission carried out by Niiky Foundation, and the pressing need for alleviating hunger and food insecurity among vulnerable families in Iran, Niiky Foundation executed a food basket project in Khuzestan province, in Spring 2023. This project aimed to provide essential food baskets to 150 families in need in four regions including Qalaat Chanan (قلعه چنغان), Kooye Mandali (کوی مندلی), Sayyahi (سیاحی), and Salim Abad (سلیم آباد).

Project Objectives

- Provide food baskets to families facing food insecurity in Ahvaz.
- Alleviate hunger and improve nutrition among vulnerable families.
- Foster a sense of community support and solidarity during challenging times.

Target number of families

150

Project Budget

\$ 3000.00

Activities

- Needs assessment: Collaborating with local social workers to ensure accurate targeting, a thorough assessment has been conducted to identify 150 families most in need of food assistance in Ahvaz.
- Food basket preparation: Procured a diverse range of staple food items*, including rice, chicken, pasta, canned goods, cooking oil, and sugar. Assembled the food baskets while adhering to hygiene and safety protocols.
- Distribution event: Hosted a community event for the distribution of food baskets. Collaborated with local volunteers and organizations to assist in the distribution process. Volunteers handed out the food baskets, fostering a sense of togetherness and support.
